Muscular Dystrophy Assn. Honors Manager of May Co.

John J. Preis, general manager of the May Co. South Bay, was elected to membership on the board of directors of Muscular Dystrophy Assn. of America, Inc. at the organization's annual meeting held last week in New York City.

Preis is the third L. A. Chapter member now serving on the national board; re-elected were Mrs. Rosalind K. Shaffer of North Hollywood as vice president, and Richard O. Gleason of Glendale. Another Southern Californian serving on the board is star Jerry Lewis, who is also national chairman.

Preis has been a key volunteer in the local fight against muscular dystrophy for the past six years, serving as president of the L.A. County Chapter for the past four years.

Under his spirited leadership, the L.A. Chapter has become the largest in the nation, supporting a broad and active program of patient services, including two local clinics with a third soon to be established in the San Fernando Valley; year-round recreational activities

for patients; the support of seven local MD research projects, and public education programs.

Directory of Newspapers Distributed

A unique directory of newspapers in Los Angeles and Orange Counties is now available to the public for the asking.

Published as a public service by Occidental Life of California, the directory not only lists newspapers in the greater Los Angeles area, but delineates the areas in which the papers are circulated.

Designed primarily for the volunteer publicity chairman, the directory will make it easy to send stories to the proper papers, according to Occidental Life President H. D. Trueblood.

For example, newspapers in Los Angeles proper have been listed according to the postal zones in which they circulate. "A publicity chairman doing a story on a club member living in postal zone 34 should send his copy to six newspapers to cover all the non-metropolitan dailies and weeklies circulated in that zone," Trueblood pointed out.

Free copies of the directory may be had by writing or calling the News Bureau, Occidental Life of California, 1151 S. Broadway, Los Angeles 15.

The regular monthly meeting of the advisory board of Little Company of Mary Hospital will be held tonight at 8 p.m., in the library conference room.

Agenda for the meeting will be a general report of hospital activities, Centurion Club membership, and results of the recent Founder's Day dinner dance sponsored by the advisory board.
